

OUR DOCTORS

Dr Mayenaaz Sidhu

Gastroenterologist

Dr Sidhu graduated from Bond University in 2010. He undertook his physician training at Westmead Hospital in Sydney. He completed his advanced training in Gastroenterology and Hepatology at Westmead and Blacktown Hospital.

He recently finished his training in advanced therapeutic endoscopy including endoscopic retrograde cholangiopancreatography (ERCP). He is currently undertaking a PhD in Medicine focusing on innovative endoscopic techniques for treating early GI tract malignancies.

Dr Sidhu joined Rosemont Endoscopy in 2019, and is available for both consultation, and procedural services.
