

**OUR DOCTORS**

**Dr Mayenaaz Sidhu**  
**MBBS, FRACP, PhD**  
*Gastroenterologist*

Dr Sidhu graduated from Bond University in 2010. He undertook his physician training at Westmead Hospital in Sydney. He completed his advanced training in Gastroenterology and Hepatology at Westmead and Blacktown Hospital.

After finishing his training in advanced therapeutic endoscopy, including ERCP, Dr Sidhu completed a PhD in Medicine in 2022, focusing on innovative endoscopy techniques for treating early GI tract malignancies.

Dr Sidhu joined Rosemont Endoscopy in 2019, and is available for both consultation, and procedural services. He also performs capsule endoscopy.

**Dr Sidhu's special interests:**

- Colon Cancer Screening (FOBT) and prevention
- Colonoscopy and Polypectomy
- Advanced Therapeutic Endoscopy (Endoscopic Mucosal Resection, Endoscopic Submucosal Dissection, ERCP)
